

# INTERNATIONAL GERIATRIC MENTAL HEALTH VIDEOCONFERENCE ROUNDS

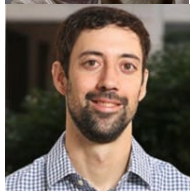

~ IN COLLABORATION WITH ~

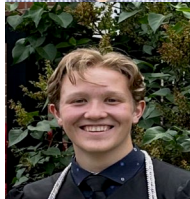

## Beyond mental health: intergenerational and interhemispheric perspectives of the future in a time of climate crisis

Peter J. Whitehouse, MD, PhD  
Intergenerative transdisciplinary designer and activist  
Professor of Neurology, Psychiatry, Cognitive Science,  
Neuroscience, and Organizational Behavior  
Case Western Reserve University and University of Toronto

Daniel R. George, PhD, MSc  
Professor, Department of Humanities and Public Health  
Sciences  
Penn State College of Medicine

Michael Ethan Bonerath  
McMaster University, BHSc Year 1 Student

**Friday, November 17, 2023**

**8 a.m. to 9 a.m. Eastern Standard Time (Toronto)**

### Educational Objectives

Learning objectives:

- (1) Appreciate different perspectives on climate angst from a case presentation of an intergenerational collaborative pair of health practitioners
- (2) Examine the role of mental health practitioners in addressing current environmental and social challenges using the lenses of interhemispheric differences and attentional mechanisms
- (3) Describe aspects of deaths of despair that relate to the climate crisis

### How to Join Zoom Event

**IMPORTANT PLEASE READ** - You must register before the start time by clicking on this link:
