

Learner Notification

International Psychogeriatric Association
2024 International Congress
September 25, 2024 - September 27, 2024
Buenos Aires, Argentina

Acknowledgement of Financial Commercial Support

No financial commercial support was received for this educational activity.

Acknowledgement of In-Kind Commercial Support

No in-kind commercial support was received for this educational activity.

Satisfactory Completion

Learners must complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

Joint Accreditation Statement

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and International Psychogeriatric Association. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Professions in scope for this activity are listed below.

Amedco Joint Accreditation Provider Number: 4008163

Physicians

Amedco LLC designates this live activity for a maximum of 12.5 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

Amedco LLC designates this activity for a maximum of 12.5 ANCC contact hours.

Psychologists

This course is co-sponsored by Amedco and International Psychogeriatric Association. Amedco is approved by the American Psychological Association to sponsor continuing education for psychologists.

Amedco maintains responsibility for this program and content. Maximum of 12.5 hours.

Objectives - After Attending This Program You Should Be Able To

1. To meet in person with colleagues, to discuss professional issues and create projects. 2. To investigate how the pandemic affected older adults, especially vulnerable populations like the physically, mentally or cognitively frail. 3. To continue to work towards our vision of A world where every person has timely access to evidence-based prevention, treatment and compassionate care for aging-related mental health concerns.
